NRO REVIEW COMPLETED

MEMORANDUM FOR : Acting Chief, DPD

SUBJECT : Review of Proposals for Reconnaissance Vehicles

REFERENCE : Memo for AC/DPD from DD/P, COR-0840-60 dtd 3 June 1960
"Hycon [] Visit to Project Headquarters"

1. I was unable to reach [] prior to his departure, to discuss with him Mr. Bissell's suggestion that a small group be organized to review the various new reconnaissance proposals that are being made. However, today I had the opportunity to talk this over at some length with [] deputy, [] and found him sympathetic to the idea. He said that similar proposals had been discussed by Dr. York and [] and also by Mr. Waters on Dr. George B. Kistiokowski's staff.

2. [] suggested that the group might be made up of Waters, Ruble (Deputy to Dr. York), [] a CIA representative, and a representative from BMD and also from ARDC. I suggested, and he agreed, that either Dr. York's office or Dr. Kistiokowski's office should take the initiative. He expects to discuss the matter with Waters and will let me know his reactions. Following this we will have another talk with the object of firming up a specific course of action.

3. Later Mr. Kiefer and I discussed the same subject with Col. Worthman of BMD, who likewise was sympathetic to the proposal and who promised to report back soon the reactions of his associates. He suggested that Col. Oder would be an excellent BMD representative on the group.

4. I suggest that Mr. Bissell be informed of the above.
